Re: Docket EL19-021 – Edited Legal Description

Dear Ms. Van Gerpen:

Commission Staff has edited several parts of the service territory boundaries legal description to more accurately describe the area. Included as part of this filing please find:

1. An edited legal description of the shared boundaries
2. A redline version of the edits

It is Staff's understanding that both utilities agree with the edited legal description. Staff will file a signed agreement into the docket when it is received.

Sincerely,

Lorena Reichert
