

Docket Number: EL19-023
Subject Matter: First Data Request
Request to: Southeastern Electric Cooperative, Inc. and Sioux Valley – Southwestern Electric Cooperative dba Sioux Valley Energy
Request from: South Dakota Public Utilities Commission Staff

- 1-1. How far are the nearest facilities of Southeastern Electric Cooperative, Inc. from the proposed electric service?
- 1-2. How far are the nearest facilities of Sioux Valley Energy from the proposed electric service?
- 1-3. What is the estimated cost to the customer for Southeastern Electric Cooperative, Inc. to extend service?
- 1-4. What is the estimated cost to the customer for Sioux Valley Energy to extend service?
- 1-5. Please confirm that the service rights exception, as detailed in the third paragraph of the agreement survives transfer to all subsequent landowners.
- 1-6. Do the parties intend for this agreement, which states that it applies only to “residential/farm services” to any services that might be required at this location but are not residential or agricultural in nature? For example, if the landowner were to utilize any portion of the property for commercial non-agricultural use.
 - a. If the agreement is limited as described above, provide the parties’ understanding of what constitutes residential use and confirm the same has been conveyed to the property owner.
