

EL19-023

Response to First Data Request

1-1: 3,600 feet

1-2: per SVE - 280 feet

1-3: \$6,400.00

1-4: per SVE - \$2,182.00

1-5: (Please see the answer to question 1-6)

1-6: per SVE – “The Cooperatives agree that this territory exception is for any and all single phase services up to 100 kVA. If a single phase service larger than 100 kVA or a three phase service is requested then the Cooperatives agree to work with the member and the PUC to determine the best solution for the member at that time.”
