Joan,

Staff's independent consultant completed his analysis of the data and the report is now posted to the docket. The report was filed and is available for review on the Commission's website.

Joan and David,

PUC Staff notified me today that Xcel Energy filed the report for the Fall of 2022 noise monitoring. It should be noted that Staff's consultant has not reviewed the results yet and is in the process of performing an independent analysis of the data.

Xcel's report can be accessed on the Commission's website at:
