RE: FILING PURSUANT TO SDPUC COGENERATION AND SMALL POWER
PRODUCTION ORDER, DOCKET NO. F-3365
DOCKET NO. EL19-____

Dear Ms. Van Gerpen:

Pursuant to the South Dakota Public Utilities Commission's (SDPUC) Orders¹ in Docket No. F-3365, Northern States Power, doing business as Xcel Energy, hereby submits for Commission approval the revised rate sheets for the Occasional Delivery Energy Service tariff and the Time of Delivery Energy Service tariff.

The proposed Occasional Delivery Energy Service rate sheet is revised to reflect a slight decrease of 0.01 cent per kWh in energy payment from the current rate of 2.38 cents per kWh to 2.37 cents per kWh, and no change in the monthly metering charge. The energy payment is based on the Company's 2019 avoided energy cost estimate. The proposed Time of Delivery Energy Service rate sheet is also revised to reflect energy and capacity payments based on the Company's 2019 avoided costs projection, and no change in the monthly metering charge.

The enclosed tariff pages (Attachment A) are consistent with those the Commission approved in its December 20, 2017 Order (Docket No. EL17-032), as finalized in our compliance filing on December 21, 2017. Attachment B contains the supporting work papers to illustrate the derivation of the proposed rates for these tariffs.

¹ DECISION AND ORDER, dated December 14, 1982 and ORDER APPROVING TARIFF SHEETS, dated January 2, 1985.

The Company requests the Commission approve the proposed rate sheets.
