Re: In the Matter of Commission Staff'S Request for an Order to Show Cause
regarding Crowned Ridge Wind, LLC
EL20-002

Dear Ms. Van Gerpen:

With the commencement of the spring bird migration, Crowned Ridge Wind, LLC ("Crowned Ridge") files this letter to notify the Commission that the warning lights on the wind turbines are being triggered more frequently due to the migration. Crowned Ridge is working to optimize the aircraft detection lighting system filter to minimize the impact of bird migration on triggering the warning lights. Once the filter is optimized, Crowned Ridge will notify the Commission.
