SECOND DATA REQUEST ISSUED MARCH 24, 2020
DOCKET NO. EL20-009**

- 2-4. Confirm that MDU is requesting approval of phases 1 and 2 of the Mandan Substation Project at this time but will revise the November 2020 and December 2020 revenue requirement to remove phase 2.**

Response:

Confirmed. Once Staff has finished their review, Montana-Dakota will update the revenue requirement to reflect the close out of phase 1 instead of the entire project. Phase 2 is expected to be included in next year's annual filing.
