

Docket Number: EL21-011 Last Name: Smith First Name: Jean Company: n/a Address: [REDACTED] City: RAPID CITY State: SD Zip: 57702 Phone: [REDACTED] Email: [REDACTED] Comments: I am opposed to BHEnergy's proposed ammendment regarding renewable energy. They are already using our extra energy and only paying a fraction of its production cost. Please question their ethics as they spent a fortune building their new building and used a TIFF as well. We need your help.
