HYDE COUNTY

VOTER POLL

AUGUST-SEPTEMBER 2018

HOW THE POLL WAS CONDUCTED

This poll was conducted by Mason-Dixon Polling & Strategy of Jacksonville, Florida from August 22 through September 9, 2018. A total of 173 registered voters in Hyde County, South Dakota were interviewed by telephone.

Those interviewed were selected randomly from a telephone-matched voter registration list that included both land line and cell phone numbers

The margin for error, according to standards customarily used by statisticians, is no more than ± 6.2 percentage points. This means that there is a 95 percent probability that the "true" figure would fall within that range if all voters were surveyed.
