Mr. Bollweg,

Thank you for your letter and accompanying maps regarding the North Bend Wind siting permit application filed with the Public Utilities Commission, docket EL21-018. I understand these comments are to follow up on remarks you made at the project's public input hearing.

Your letter, attachments, and my response will be posted under Comments and Responses in the [EL21-018](#) docket. The [Siting Guide](#) posted in the docket helps explain the commission's processing of siting dockets such as this.

I appreciate you sharing this information regarding this siting permit request.
