RE: In the Matter of the Application by North Bend Wind Project, LLC for a Permit to Construct and Operate the North Bend Wind Project in Hyde County and Hughes County, South Dakota – PUC Docket: EL21-018
MAGT File: 7900

Dear Ms. Van Gerpen:

To be filed pursuant to Condition 29, both the As-built civil drawings and shapefiles from our contractor and the ArcGIS shapefiles of the final wind turbine and facility layout have been uploaded via the SFTP server.

With respect to information on remedial activities pursuant to Condition 29(c), the Project plans to begin the reclamation process in April/May 2024 after frost restrictions are lifted by Hughes and Hyde Counties.

With respect to information on landowner complaints pursuant to Condition 29(d), I am pleased to report that as of the date of this letter, the Project is not aware of any landowner complaints requiring resolution.

As always, thank you for your courtesies in this matter.

Very truly yours,

MAY, ADAM, GERDES & THOMPSON LLP
