On September 1, 2021, the South Dakota Public Utilities Commission (Commission) received a petition from Northern States Power Company dba Xcel Energy (Xcel) for approval of its 2022 Transmission Cost Recovery (TCR) Rider, TCR rate factor, and tracker account report. For 2022, Xcel proposes recovery of the South Dakota jurisdictional portion of the revenue requirements related to 31 transmission projects located throughout its service territory. Xcel proposes to include 10 new projects for 2022 and proposes to remove one previously approved project. Xcel proposes to recover \$7.0 million associated with the 31 transmission projects for the 2022 calendar year. Included in the \$7.0 million figure is the 2021 over-collection balance of \$397,023. The total of the transmission investment costs, and the tracker balance results in an average bill impact of \$2.43 per month for a typical residential electric customer using 750 kWh per month. This is a decrease of \$0.15 per month from the current TCR Rider recovery. Xcel proposes to implement a rate of \$0.003245 per kWh applied to all energy billed to each customer class beginning January 1 through December 31, 2022. This represents a decrease of \$0.000201 from the existing rate of \$0.003446 per kWh.

On September 2, 2021, the Commission electronically transmitted notice of the filing and the intervention deadline of September 17, 2021, to interested individuals and entities on the Commission's PUC Weekly Filings electronic listserv.

The Commission has jurisdiction in this matter pursuant to SDCL 49-1A-8 and 49-34A-25.1 through 49-34A-25.4.

SDCL 49-1A-8 authorizes the Commission to require a deposit of up to \$50,000.00 in the Commission's Regulatory Assessment Fee Fund to defray Commission expenses incident to analyzing and ruling upon this type of filing.

At its regularly scheduled meeting on September 14, 2021, the Commission considered this matter. The Commission voted unanimously to assess a filing fee up to the statutory limit of \$50,000.00 to account for actual expenses incurred in review of this filing commencing from the filing date. It is therefore

ORDERED, that Xcel shall be assessed a filing fee pursuant to SDCL 49-1A-8 for actual expenses incurred by the Commission commencing from the filing date not to exceed \$50,000.00

Dated at Pierre, South Dakota, this 20th day of September 2021.
