South Dakota Data Request

1-2. Refer to MidAmerican's Response to Staff's Data Request 1-3 in Docket EL20-006. Regarding the refunds for the period of September 28, 2016 through November 20, 2019, were these refunds processed by MISO in December 2020? If so, are those refunds reflected to SD ratepayers in this filing?

Response:

No, MISO did not process refunds in December 2020 for the period of September 28, 2016 through November 20, 2019.

During 2020, MISO concentrated mostly on processing refunds for the period of November 12, 2013 through February 11, 2015 this was due to the uncertainty of outcomes for the various rehearing requests regarding the ROE and the establishment of the additional refund period.

However, MISO did process refunds for 2019 transactions with its July and August 2020 billing cycle transactions. Those refunds are reflected in MidAmerican's 2019 true-up calculations that were used in the calculation of MidAmerican's 2021 projected revenue requirements and rates. Therefore, those refunds are reflected in the rates to South Dakota ratepayers for this filing.
