

BLACK HILLS POWER ECONOMIC DEVELOPMENT GRANT PROGRAM

PROGRAM PURPOSE

Black Hills Power strives to be a valued community partner. At Black Hills Power, we believe our future success is dependent upon the growth of the communities and businesses we serve. Oftentimes communities and economic development organizations are not able to fully fund projects and may need partners to be successful in their economic development activities. One of the key factors of supporting economic development activities is to support the creation of new job opportunities within the communities that are within BHE service territory.

BENEFIT

Contributions will help create a favorable operating environment in the BHE-served communities with potential to grow through new business attraction and job opportunities.

BHE ECONOMIC DEVELOPMENT GRANT COMMITTEE

Grant applications will go through a review and approval process on a monthly basis. Black Hills Power ED Grant Committee include leadership from business development, State electric operations; business finance, and community relations.
