Response:

There was one other change to Sheet 1 in addition to removing the two symbols from the border. The entire Rate Schedule Section 14.02, Real Time Pricing Rider was included in the initial filing of this Docket No. EL21-032, including Sheet 1, because we added a new Sheet 6 to this Rate Schedule, and it affected the page numbers in the footer on every page.

Attachment 1 to this response is an updated Redline and Clean version of our Rate Schedule Section 14.02, Real Time Pricing Rider incorporating the recently approved Sheet 1 in Docket EL23-022, effective October 1, 2023.
