**RE: In the Matter of Otter Tail Power's Proposal for a Residential Time of Day Pilot Plan
Docket No. EL21-033
Pilot Update & Request to Delay Pilot – Supplemental Filing**

Dear Ms. Van Gerpen:

Otter Tail Power Company (Otter Tail) hereby submits to the South Dakota Public Utilities Commission a Supplemental filing with our proposed tariff revisions for the removal of our Residential Time of Day Pilot (Residential TOD Pilot), Rate Schedule 9.04. Also included in this filing are corrections to the Matrices within our Rate Book.

As we prepared for this filing, it came to our attention that the current Rate Schedule Sections 12.00, 13.00 and 14.00 as described below, were not current and/or contained minor administrative errors. Rate Schedule Sections 12.00 and 14.00 were incorrectly filed in our June 21, 2019, Compliance filing in our last Rate Case, Docket No. EL18-021. It appears a previous version was filed inadvertently at the time of our Tariff Sheet Compliance filing. Rate Schedule 13.00 was missing a couple column headers and we are requesting a slight change to the location of the "Not Applicable" Key to keep consistency within our Rate Book.

Otter Tail also took this opportunity to review and clean-up Rate Schedule title inconsistencies within the Rate Schedules, Index and Matrices.

The changes are shown in the redline version of each tariff.

Included with this filing are the following Rate Schedule pages in a redline and clean version.
