Subject: RE: [EXT] Excel Energy - Rate Increase Request

Dear Mr. Holsing,

Thank you for emailing your thoughts to me. You can follow all of the filings on this rate request docket at <https://puc.sd.gov/Dockets/Electric/2022/EL22-017.aspx> .

The Commission has suspended the rate increase request for six months as the PUC staff dig into the details of the request.

The Commission will be discussing one aspect of how to proceed with this docket investigation during our September 13th meeting. <https://puc.sd.gov/agendas/2022/0913.aspx> The meeting is live streamed so you can listen in at puc.sd.gov.

Your email and my response will be posted in the comments section of this docket.

Sincerely,

Chris Nelson
