Ms. Reuter,

Thank you for sharing your Xcel Energy statement for Feb. 13 through March 15, 2023. Your follow up message will be posted under Comments and Responses in the EL22-017 docket.

Once again, if you wish to better understand how Xcel's interim rates affect each line item of your bill, we encourage you to contact a Consumer Affairs staff member at the commission by calling 605-773-3201 to request this.
