## Section H

**20:10:13:80. Statement H -- Operating and maintenance expenses.** Statement H shall show the electric or gas operation and maintenance expenses according to each account of the FERC's uniform systems of accounts for public utilities and licensees or for gas companies. The expenses shall be shown under appropriate columnar headings as follows, with subtotals for each functional classification:

- (1) Operation and maintenance expense as booked, for the test period and the total for the test period;
  - (2) Claimed adjustments, if any, to expenses as booked;
  - (3) Total adjusted operation and maintenance expenses claimed.

Detailed explanations of the adjustments, if any, and the manner of their determination shall be supplied, specifying the month or months during which the adjustments would be applicable. Information required in §§ 20:10:13:81 to 20:10:13:84, inclusive, shall be submitted as part of statement H.

**Source:** 2 SDR 90, effective July 7, 1976; 12 SDR 86, effective November 24, 1985; 12 SDR 151, 12 SDR 155, effective July 1, 1986.

General Authority: SDCL <u>49-34A-4.</u>

Law Implemented: SDCL 49-34A-7, 49-34A-10, 49-34A-12, 49-34A-41.

Schedule H-1: Adjustments to operating and maintenance expenses. Schedule H-1 shall show the 12 months of actual test period experience and the claimed adjustments thereto, if any, by functional classifications. It shall also show the separate amounts for labor and other charges included in the operation and maintenance expenses for each functional classification per books and as adjusted. If operation and maintenance expenses as presented per the books reflect any special accrual or equalization accounting entries for internal purposes, the effect thereof shall be fully disclosed and explained. Any amounts not currently payable, except depreciation charged through clearing accounts included in operation and maintenance expenses, shall be fully explained.

Schedule H-2: Cost of power and gas. Schedule H-2 shall show the total annual cost of power or gas purchased for the 12 months test period of actual experience,

Northern States Power Company South Dakota Revenue Requirement Model Description

Docket No. EL22-Statement H Page 2 of 2

the claimed adjustments, if any, and the total adjusted cost for the test period detailed by contract or rate schedule designation. If any of the prices are effective subject to refund, there shall be shown by contract and by commission docket number for the test period, the rate and the amount paid subject to refund. If the utility purchases and sells power under exchange or pooling agreements, the method of recording on books, total gross receipts and deliveries exchanged, total gross dollar amounts involved for such receipts and deliveries and details of such exchanges shall be submitted. If the utility records any amount on its own books in a given month during the 12-month test period which applies to power or gas purchases or sales for a previous month or other period, a schedule indicating the months involved, the payment and volumes and the months to which such transactions are applicable, shall be submitted.

Schedule H-3: Working papers for listed expense accounts. With respect to the following listed expense accounts, schedule H-3 shall be furnished as designated for the 12 months of the test period and for claimed adjustments. This schedule shall include analytical details which will clearly disclose for each account a classification of principal charges and credits with all minor items grouped; particulars of supporting computations and accounting bases; a description of the services and related dollar amounts for which liability is incurred or accrued; and the name of the firm or individual rendering such services for these accounts where applicable: Accounts 909, 913, and 930, advertising expenses. For each category of advertising expense required to be filed pursuant to § 20:10:23:02 the utility shall submit a list of all advertisements claimed and filed pursuant to § 20:10:23:03, indicating the categorization of each advertisement. Representative samples of each category shall also be included. (2) Account 922, administration expenses transferred -- credit; (3) Account 926, employee pensions and benefits; (4) Account 928, regulatory commission expenses; (5) Account 929, duplicate charges -- credit; (6) Account 930, miscellaneous general expenses.

Schedule H-4: Working papers for interdepartmental transactions. If the expense accounts contain charges or credits from associated companies or nonutility departments of the utility, schedule H-4 shall be submitted for each such associated company or nonutility department showing the following: (1) The amount of the charges or credits during the test period; (2) The FERC account classification or classifications charged or credited; (3) Descriptions of the specific services performed for or by the associated company or nonutility department; (4) Complete particulars as to the bases used in determining the amounts of the charges or credits.
