Re: Request release of service, 25159 430th Ave, Spencer, SD
Legal Description: Lot 3: Lot 6 NE4 SE4 12-103-57

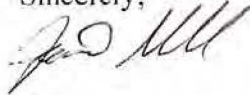

Dear Mr. Schlimgen,

Per our phone conversation today please accept this request for release of service for the above named address to Southeastern Electric Cooperative. Central Electric Cooperative's quote for establishing residential service at this property (\$21,337.50) is distinctly higher than Southeastern (\$4,489.80). The intended use for establishing power at this address is for permanent residential use and once established we intend to immediately proceed with new home construction.

Southeastern has an established service connection in closer proximity to this property less than ½ mile north of this address on the west side of 430th Ave.

Please forward this request to the Board of Directors for consideration and approval. Should additional information be required I can be reached at 605-880-4066. Thank you for your assistance and consideration in this matter.

Sincerely,

Jamie Marshall
