B. Date of Filing and Date Modified Rates Take Effect

Xcel Energy submits this Petition for approval on March 15, 2023. This submission has no effect on current rates.

II. DESCRIPTION AND PURPOSE OF FILING

The Company submits the enclosed documents for approval of our 2022 Economic Development Activities and proposed 2023 Economic Development Budget.

The report is organized as follows:

- Attachment A: 2022 Economic Development Budget
- Attachment B: 2022 Economic Development Expenditures

- Attachment C: Proposed 2023 Economic Development Budget
- Attachment D: Documentation Supporting 2022 Economic Development Expenditures¹
- Attachment E: Seven Year History

In 2022, none of the expended dollars were utilized for lobbying expenses for Xcel Energy or any other association that received funding during the year. All dollars that are budgeted for 2023 will similarly not be utilized for any lobbying expenses.

In 2022, there were no Governor’s Office of Economic Development (GOED), Certified Ready Site program applications thus the reason that the budgeted \$10,000 dollars were reverted back to Rural Community Support. As you will see in this year’s filing, the rural support went to the communities of Baltic, Crooks, Dell Rapids, and Worthing.

On Attachment D, pages 1 and 2, the amount invoiced and paid to Forward Sioux Falls was \$40,000, instead of the budgeted \$25,000. Only \$25,000 of our 2022 payment to Forward Sioux Falls went toward the \$100,000 budgeted in this annual filing. As with other Economic Development monies Xcel Energy spends in South Dakota, anything above the \$100,000 statutory requirement will not be paid for by rate payers.

III. EFFECT OF THE CHANGE UPON XCEL ENERGY REVENUE

There is no effect on the Company’s current revenues.
