Xcel Energy		Data Request No.	1-11
Docket No.:	EL23-013		
Response To:	South Dakota Public Utilities Commission		
Requestor:	Eric Paulson		
Date Received:	September 6, 2023		

Question:

For the residential heat pumps refer to page 3. Each rebate is \$400 and only 2 people participated for a rebate total of \$800. Provide detail on the other \$694 in costs for the heat pump program in 2022 and explain why this other spend is a high percentage of the total spend.

Response:

Incentives for the residential heat pump program were paid at \$300 each (as they received the previous incentive), for a total of \$600. The remaining costs of \$894 was used to administer the program.

Please reference Data Request No. 1-14, included is a corrected and extended Attachment A.
