Question:

Refer to the Table 2 on page 3 of the Petition and Attachment A. Table 2 includes more programs in the residential section than Attachment A. Attachment A and Table 2 also includes different numbers for the Consumer Education program. Explain the discrepancies and file updated pages as necessary.

Response:

An error was made within Attachment A. See corrected Attachment A.

Please note that Attachment A includes pages that outline the cost effectiveness analysis for each program, these pages were unintentionally excluded from the initial filing. Additionally, an extended Attachment E is enclosed as these program specific pages were also excluded from the 2024 Plan documents.
