Xcel Energy Data Request No. 2-4

Docket No.: EL23-013

Response To: South Dakota Public Utilities Commission

Requestor: Eric Paulson

Date Received: October 18, 2023

## **Question:**

Explain why the Residential Water Heating program was significantly below the budget for participation even though incentives increased to \$400 for 2022.

## Response:

Administrative and participation costs were less than predicted in the filing. Participation for this program in South Dakota has not accelerated at the rate predicted despite the higher rebate.
