Mdu gives millions of dollars away and if they can afford to do that they absolutely don't need a rate increase! I called them to see just how much and they said none! We all know better than that and I would like about it too if I were them trying to pull this off! I don't care what pocket they say it comes out of it's still mdu money just like anyone else's, it doesn't matter what pocket you take it out of it's y your money ! Please don't let them lie to you! They almost always have at least 3 mdu vehicles parked at coffee shops every morning for about 2 hrs. Which means they are wasting money by being overstaffed! Please do the right thing and deny their rate increase! Thank you
