

OTTER TAIL POWER COMPANY

Docket No: EL23-027

Response to: SD Public Utilities Commission

Analyst: Pat Steffensen

Date Received: October 02, 2023

Date Due: October 17, 2023

Date of Response: October 17, 2023

Responding Witness: Matthew J. Olsen, Manager, Regulatory Strategy/Compliance,
(218) 739-8657

Data Request:

With AMI meters, will bills still be prorated when there is a rate change in the middle of a billing cycle, such as changing from the summer period to the winter period or when new rates determined in a rate case are effective? Or in the alternative, will the billing be exact and no longer require proration?

Response:

Bills will still be prorated after AMI is implemented. Otter Tail's Customer Information System stores only one meter read or one kWh value per billing period.
