**RE: In the Matter of Otter Tail Power Company's Petition for Approval of Tariff Revisions to Facilitate Implementation of our Advanced Grid Infrastructure (AGI) Projects
Docket No. EL23-027
Amendment to Initial Filing**

Dear Mr. Seuffert:

Included with this letter is an updated redline and clean version of our General Rules and Regulations, Section 8.01 Glossary, which was part of Attachment 4 to our initial filing in the above referenced docket. Commission staff identified the need to update the header at Sheet 4 to a second revised sheet from the current first revised sheet. This correction has been made in the attached updated version.

We apologize for any inconvenience this may have caused and appreciate Staff's thorough review.

If you have any questions, please contact me at 218-739-8657 or at molsen@otpc.com.

Sincerely,

/s/ MATTHEW J. OLSEN
