

OTTER TAIL POWER COMPANY

Docket No: EL24-004

Response to: SD Public Utilities Commission

Analyst: Eric Paulson

Date Received: February 28, 2024

Date Due: March 13, 2024

Date of Response: March 13, 2024

Responding Witness: Svetlana Fedje, Pricing Analyst - (218) 739-8799

---

Data Request:

Refer to Attachment 4, explain why the customer charge calculation only factors in 4 rate codes when, Section 14.00 Revised Sheet No. 1, shows that this rate is available to more than 4 rate codes.

Attachments: 0

Response:

This product originated with the Otter Tail sales team. They have received many calls from commercial customers looking for a renewable option from their utility to meet business goals. Due to this fact, the customer charges were developed with this user group in mind. Otter Tail understands other customers may be interested in this product and Otter Tail will modify the customer charge appropriately if warranted.
