

1-1. Do tenants receive an electric bill from the utility or does the landlord, Rushmore Crossing Associates LLC, pay all utility bills?

**Each tenant receives an electric bill from the utility.**

1-2. Provide a cost estimate for the planned project as proposed at the beginning of the petition by using just one meter and then submetering to the other unit.

**Cost estimate for the planned project at the beginning of the petition with the intent to submeter to the other unit equals \$267,701.00**
