

MidAmerican Energy Company
Response to South Dakota Public Utilities Commission Data Request
Docket No. EL24-022

1-5. Please confirm the customer taking service under Rate QF received notice pursuant to ARSD 20:10:13:17.

Response:

MidAmerican currently only has one customer taking service under Rate QF. On August 2, 2024, notice was provided to this customer via email. On August 5, 2024, the customer replied to the email indicating that they would not be contesting the filing. A copy of this email correspondence is included as 1-5-Attachment-Confidential. Since these tariff changes will increase the energy and capacity credits paid, and therefore benefit the customer, MidAmerican respectfully requests that the Commission approve MidAmerican's revised tariff sheets as filed, with an effective date of August 15, 2024.
