Ms. Jordt,

This is in response to your message to the South Dakota Public Utilities Commission regarding the requested Deuel Harvest Wind Energy South project siting permit, docket [EL24-023](#).

The commission received an application for this proposed project on June 28, 2024, resulting in the opening of this docket. The docket is currently being reviewed by my fellow commissioners and me and PUC staff. A public input meeting for this docket will be at 5:30 p.m. on Thursday, Aug. 22, at the Clear Lake Community Center and I encourage you to attend. You will also learn more as further information is requested by commissioners and staff, filed in the online docket and publicly available during the months ahead.

This [Information Guide](#) helps explain the commission's processing of a docket such as this.

Thank you for sharing your views concerning the proposed project's benefits for your family, area schools and communities, Deuel County, and the state of South Dakota. Your email and this response will be posted under Comments and Responses in the online docket.
