Mr. Goodroad,

This is in response to your message to the South Dakota Public Utilities Commission regarding the requested Deuel Harvest Wind Energy South project siting permit, docket [EL24-023](#).

The commission received an application for this proposed project on June 28, 2024, resulting in the opening of this docket. The docket is currently being reviewed by the commission and PUC staff. A public input meeting for this docket will be held at 5:30 p.m. on Thursday, Aug. 22, at the Clear Lake Community Center, and I encourage you to attend. You will also learn more as further information is requested by commissioners and staff, filed in the online docket, and publicly available during the months ahead.

This [Information Guide](#) may be helpful in explaining the processing of such a docket.

Thank you for reaching out to share your views on the proposed project's effects on the county's taxes, roads, farm economy, and on improved turbines. Your email and this response will be posted under Comments and Responses in the online docket.
