Mr. Jacobson,

This is in response to your email to the South Dakota Public Utilities Commission regarding the requested Deuel Harvest Wind Energy South project siting permit, docket [EL24-023](#).

The commission received an application for this proposed project on June 28, 2024, and this application and associated filings are currently being reviewed by commissioners as well as by PUC staff.

I encourage you to attend the public input meeting on this docket at 5:30 p.m. on Thursday, Aug. 22, at the Clear Lake Community Center. You will learn more at this meeting and also as additional information is requested by commissioners and staff, filed in the online docket, and publicly available.

This [Siting Informational Guide](#) may help you in understanding the processing of a siting docket by this commission.

Thank you for sharing your view on the proposed project's financial support for the local schools, township, county and state governments, in addition to you and other landowners in the project area. Your email and this response will be posted under Comments and Responses in the online docket.
