Mr. and Ms. Kerkvliet,

Thank you for reaching out again regarding the requested siting permit by Deuel Harvest Wind Energy South, docket [EL24-023](#), and the work of the South Dakota Public Utilities Commission.

Comments such as yours are reviewed and considered by the commissioners and staff and are posted under Comments and Responses in the publicly available docket.

You are encouraged to continue following along as more information is received and posted in this docket by the parties involved.
