Ms. Schauer,

This is in response to your email to the South Dakota Public Utilities Commission regarding the requested Deuel Harvest Wind Energy South project siting permit, docket [EL24-023](#).

The commission received an application for this proposed project on June 28, 2024, resulting in the opening of this docket. The application and associated docket filings are currently being reviewed by commissioners as well as by PUC staff.

I encourage you to attend the public input meeting on this docket to be held at 5:30 p.m. on Thursday, Aug. 22, at the Clear Lake Community Center. You will learn more there and also via further information as it is requested by commissioners and staff, filed in the online docket, and publicly available in the months ahead.

This [Siting Informational Guide](#) may help you understand the processing of such a docket by this commission.

Thank you for sharing your perspective on the proposed project's increased revenue for local schools, communities and county, as well as to landowners in the project area such as you. Your message and this response will be posted under Comments and Responses in the online docket.
