Subject: [EXT] Regarding POC Docket #EL24-023 South Duel Wind Project

Dear PUC staff and commissioners,

My name is Nancy Bruns and I am a proud landowner in Duel County. I would like to see this project move forward. I am an environmentalist and believe our country needs to provide more green opportunities to decrease our dependence on fossil fuels. Wind energy is a clean energy that is renewable and plentiful in Duel County.

My father and grandparents were long time residents of Duel County., I inherited this land from them and I plan to keep this land in our family name for many generations to come. I would like my family, local schools, townships, and South Dakota to benefit from the additional funds provided from this project. Please consider approving this project.

Thank you.
Sincerely,
Nancy Bruns
