*There are several unincorporated communities within a 10-mile radius of the project that may or may not show up on a given map of the greater area of Rapid City. If one looks at Google Maps, for example, a community like Blackhawk, Rapid Valley, or Green Valley, is shown on the map in an identical manner to a municipality like Rapid City. Accordingly, such maps may give the impression that these unincorporated communities are municipalities and should be included in the Local Review Committee. However, such communities do not have mayors which would serve on the Committee pursuant to SDCL 49-41B-6. Therefore, Staff believes such communities are properly excluded from the Local Review Committee. Staff encourages any interested community to contact its county or city representatives with any concerns it may have.
