RE: COMPLIANCE FILING - ERRATA
CREDIT FOR SIXTEENTH DOE SETTLEMENT PAYMENT
DOCKET NO. EL24-036

Dear Ms. Mohr:

Northern States Power Company, doing business as Xcel Energy, submits to the South Dakota Public Utilities Commission (Commission) the enclosed Errata in connection with our Compliance Filing dated April 17, 2026, regarding the credit to South Dakota retail electric customers resulting from the sixteenth settlement payment received from the U.S. Department of Energy (DOE).

Since that filing, Staff alerted us to a minor calculation error in Attachment A. This error resulted from not updating the denominator from 11 months to 12 months when calculating the average customer counts after adding an additional month of data, which resulted in higher average customer counts. This error does not impact the rate or credits to customers.

The Company requests that the Commission replace Attachment A with the attached, corrected version. New figures are in red, to differentiate between the original and the updated version.

Please contact me at Steven.T.Kolbeck@xcelenergy.com or 605-339-8350 or Nathan Kostiuk at Nathan.C.Kostiuk@xcelenergy.com or 612-215-4629 if you require any additional information.

Sincerely,

/s/
