Subject: Docket No. EL 24-005 Clause TCR – Revised Transmission Cost  
Recovery 2023 Reconciliation and 2024 New Factor Calculation

Dear Ms. Van Gerpen:

On February 15, 2024, MidAmerican Energy Company (MidAmerican) filed its Transmission Cost Recovery (TCR) reconciliation for 2023 and the calculation of the 2024 TCR factors, in accordance with the Settlement Stipulation in Docket No. EL14-072.

An inadvertent error was discovered in the reconciliation workbook. On Pg 4-Forecast Costs & Credits tab, line 1, column (a), the Schedule 10 Charge (MISO Adder) was entered as \$181,121 instead of \$188,121. This correction does not change the proposed factors and does not require any changes to the filed tariffs.

MidAmerican is requesting the factors be effective with the first April 2024 bill groups through the final March 2025 bill groups.

If you have any questions, please contact me at (563)333-8808 or [Lori.Brockhouse@midamerican.com](mailto:Lori.Brockhouse@midamerican.com) and [RegulatedPricing@midamerican.com](mailto:RegulatedPricing@midamerican.com). All correspondence regarding this matter should also be directed to me.
