

APPLICATION FOR OCCUPANCY - RIGHT-OF-WAY OF HYDE COUNTY HIGHWAY

To: The Board of County Commissioners Hyde County, South Dakota

For East River Electric Power Cooperative occupancy of CNTY RD 649/ 328th St. Ave. in Section 15/16,

Township 110N, Range 73W, Hyde County, South Dakota

Detailed description of location:

Please see attached drawings for more detail.

*A sketch showing the location must be attached.

The following information is pertinent to the proposed installation:

- 1. Date or time frame of intended installation 02/01/2025 to 5/1/2025
- 2. Intended usage Essential Service 230KV Transmission Line to serve our Dakota Energy Members
- 3. Line, cable, or pipe type 795 ACSR Drake 3500# DTHL with OPGW 4206#DTHL
- 4. Outside diameter or pipe size 1.23."
- 5. Method of installation Auger and bucket truck

* Crossing paved roads requires boring method and an easement with Hyde County.

*This installation will comply with the National Safety Code and all Federal Guidelines.

*Warning signs will be installed where appropriate and on the day of installation.

*The Hyde County Highway Superintendent's office will be notified on the day of installation. 605-852-2518

*Road surface and ditches will be restored back to present condition. If restoration is not fully completed, Hyde County will make restorations and bill applicant for restoration.

*Owner will move its buried line/cable/pipe, in case of road construction, at no cost to the county. Owner is responsible for locating cable in response to future South Dakota 811 requests at that location.

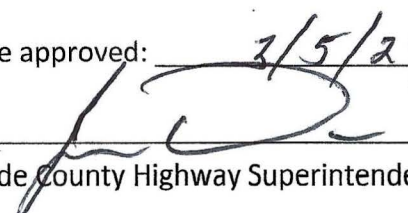

*Prior to any road construction, maintenance, boring, or utility installation within Hyde County, the owner shall call South Dakota 811, formerly known as South Dakota One Call, at 1-800-781-7474 for location of facilities that may be impacted.
