Public Document

Xcel Energy		Data Request No.	1-10
Docket No.:	EL24-016		
Response To:	South Dakota Public Utilities Commission		
Requestor:	Eric Paulson		
Date Received:	August 2, 2024		

Question:

For the Custom Lighting option within the Business Lighting plan, provide the number of Custom Lighting project applications submitted in 2023 and the number of projects completed in 2023.

Response:

In 2023, twelve Custom Lighting applications were submitted, and three projects were deemed cost effective for rebates to be provided. The nine projects that were deemed not cost effective were due to the project cost outweighing the energy savings cost benefit.
