Docket No.: EL24-016

Response To: South Dakota Public Utilities Commission

Requestor: Eric Paulson
Date Received: August 2, 2024

Question:

For the residential heat pumps refer to page 3. Each rebate is \$400 and only 3 people participated for a rebate total of \$1,200. Provide detail on the other \$1,751 in costs for the heat pump program in 2023 and explain non-rebate costs for heat pumps almost tripled from 2022.

Response:

For the Heat Pump Water Heater program, the non-rebate expenses were higher in 2023 due to additional time spent on administration for program management.
