Xcel Energy Data Request No. 2-3

Docket No.: EL24-016

Response To: South Dakota Public Utilities Commission

Requestor: Eric Paulson

Date Received: September 17, 2024

Question:

Refer to the response to DR1-17. Provide a description of what "administration for program management" is and why additional time was spent.

Response:

The description of "administration for program management" refers to labor for program management. The amount of time spent managing the program in 2022 was negligeable and therefore not necessary in counting towards the program cost effectiveness. Additional labor was spent in 2023 as the program grew.
