

OTTER TAIL POWER COMPANY

Docket No: EL25-017

Response to: SD Public Utilities Commission

Analyst: Amanda Reiss

Date Received: May 16, 2025

Date Due: June 02, 2025

Date of Response: June 02, 2025

Responding Witness: : Amber Grenier, Manager, Regulatory Economics, 218-739-8728

Data Request:

Provide the calculations supporting the \$282.00 customer charge.

Attachments: 0

Response:

Otter Tail Power used the currently approved customer charge for its current Real Time Pricing (RTP) Rider. The Thermal Market Energy Pricing Rider has similar attributes as the RTP Rider and will likely be billed similarly to the RTP Rider using a manual billing process.
