**Re: In the Matter of Otter Tail Power Company's Petition for Approval of a
Thermal Technology Market Energy Rate Section 14.16
Docket No. EL25-017
Amended Proposed Tariffs**

Dear Ms. Mohr:

Otter Tail Power Company (Otter Tail Power) hereby submits to the South Dakota Public Utilities Commission (Commission) its Amended Attachment A, Amended Attachment B, and Amended Attachment D. These amended attachments include an amended proposed Tariff Section 14.16, a proposed amendment to Tariff Section 13.04, a proposed amendment to Tariff Section 13.00, and an amended Schedule Changes Report in the above-referenced matter.

Working with Staff to resolve several issues, it was agreed that Otter Tail Power would include in its proposed Thermal Market Energy Pricing (TMEP) Rider, Section 14.16, an exemption related to the Energy Efficiency Partnership (EEP) rider. This filing includes proposed changes to the TMEP rider setting out the exemption from EEP (Amended Attachment A), changes to the EEP rider setting out that it does not apply to TMEP (Amended Attachment B), changes to the Applicability Matrix showing EEP is not applicable to TMEP (Amended Attachment B), and changes to the Schedule Change Report showing the change to Tariff Section 13.04 (EEP)(Amended Attachment D).

If you have any questions regarding this filing, please contact me at 218-739-8774 or ldonofrio@otpc.com.

Sincerely,

/s/ LAUREN D. DONOFRIO
