

Customer notice

We filed a request with the South Dakota Public Utilities Commission (SDPUC) for approval of a \$0.00053 per kilowatt-hour increase to our Energy Efficiency Partnership (EEP) Cost Recovery Rider. This rider allows us to recover costs associated with energy-efficiency programs and education for our South Dakota customers.

The filing can be found at <https://puc.sd.gov/Dockets/Electric/2025/>.

Customers may join with 24 others to file written objections to this increase and request the SDPUC suspend the rate and hold a public hearing on the filing.
