**RE: Application of Otter Tail Power Company for Authority to Increase Rates
for Electric Service in South Dakota
Docket No. EL25-022
Amended Settlement to correct meter charges in Section 13.09**

Dear Ms. Mohr:

Otter Tail Power Company (Otter Tail Power) submits this amendment to the March 2, 2026 Joint Motion for Approval of Settlement Stipulation and to the March 26, 2026 Final Rates Tariff compliance filing correcting inadvertent errors to the per meter rates for General Service and Small General Service.

Section 13.09 Fifth Revised Sheet No. 3 Cancelling Fourth Sheet No. 3 was provided as part of Exhibit A filed March 2, 2026 to the Joint Motion for Approval of Settlement Stipulation and also as part of Otter Tail Powers Final Rates Tariff compliance filing on March 26, 2026.

1. Small General Service (under 20kW) per meter charge was listed as \$0.41, when it should have been \$0.11. Roughly 2,000 meters each month were overcharged \$0.30 beginning with interim rates on December 1, 2025, and will continue to be overcharged until this request is approved by the Commission. Following approval from the Commission, Otter Tail Power will refund impacted customers the difference as a one time credit to their electric service statements.
2. General Service (≥ 20 kW and < 200 kW) per meter charge was listed as \$0.11, when it should have been \$0.41. Approximately 475 meters were undercharged \$0.30 beginning with interim rates December 1, 2025, and will be until this request is approved by the Commission. Otter Tail Power will not rebill customers for this billing error and will continue to be undercharged.

With this letter, Otter Tail Power provides Section 13.09 Sixth Revised Sheet No. 3 Cancelling Fifth Sheet No. 3 correcting the above mentioned errors. Pursuant to Rule 20:10:13:21 of the South Dakota Administrative Rules, the Sixth Revised Sheet No. 3 reflects “effective on less than 30 days notice” language on the tariff sheet, as Otter Tail Power respectfully requests the Commission approve this request in less than 30 days notice to correct the inadvertent error as soon as possible.

Also included is a draft customer notice for those impacted that will be included on bills at the time of the rate change.

Please contact me at (218) 739-8395 or jfyhrie@otpc.com if you have any questions regarding this filing.

Sincerely,

/s/ *JESSICA J FYHRIE*
