Subject: RE: [EXT] Toronto Power Plant Docket number EL25-028

Dear Mr. and Mrs. Monnier:

Thank you for attending the public input meeting in Toronto regarding the proposed Toronto Power Plant. We appreciate your engagement in the process.

The full docket for this project, EL25-028 - In the Matter of the Application by Western Minnesota Municipal Power Agency and Missouri River Energy Services for a Facility Permit for an Energy Conversion Facility and Associated Facilities Including an Electric Transmission Line in Deuel County, South Dakota, was opened on Aug. 7, 2025, and is available on the PUC's website.

We appreciate your follow-up comments outlining your concerns about the potential impacts the proposed plant may have on the residents, community resources and wildlife in the area. You also shared concerns about other energy projects operating nearby and expressed a desire to preserve your rural way of life.

This docket is currently under review by the Commission and PUC staff. Informal public comments such as yours are reviewed and considered by the PUC commissioners and staff and are posted under Comments and Responses in the publicly available docket. You are encouraged to follow along as more information is received and posted in the docket by the parties involved.

You may find the Energy Conversion & Electric Transmission Facilities Siting Guide, accessible from the docket, helpful in understanding the Commission's review process.

Sincerely,

Gary Hanson
