Subject: RE: [EXT] Docket Number EL25-028 Power Plant, Deuel County, South Dakota

Mr. & Mrs. Quail – Thank you for reaching out to the South Dakota Public Utilities Commission to share your thoughts about docket [EL25-028](#) - *In the Matter of the Application by Western Minnesota Municipal Power Agency and Missouri River Energy Services for a Facility Permit for an Energy Conversion Facility and Associated Facilities Including an Electric Transmission Line in Deuel County, South Dakota*, which was opened on Aug. 7, 2025.

We understand the concerns you have articulated about the preservation of the native prairie and its flora and fauna.

This docket is currently under review by the Commission and PUC staff. We encourage you to stay engaged and follow the docket as additional information is submitted and posted by the involved parties.

For a better understanding of the Commission's review process, you may find the [Energy Conversion & Electric Transmission Facilities Siting Guide](#), available through the docket, to be a helpful resource.

Your comments and this response will be posted under the Comments and Responses section of the online docket. Thank you again for your participation in this important process.

Sincerely,

Gary Hanson, Chairman

South Dakota Public Utilities Commission
