RE: COMPLIANCE FILING
2026 INFRASTRUCTURE RIDER FACTOR UPDATE
DOCKET NO. EL25-033

Dear Ms. Mohr:

Northern States Power Company, doing business as Xcel Energy, submits this filing in compliance with the South Dakota Public Utilities Commission's June 3, 2026 ORDER APPROVING 2026 INFRASTRUCTURE RIDER PROJECT ELIGIBILITY AND FACTOR UPDATE. The revised Infrastructure Rider Adjustment Factor of negative \$0.006619 per kWh is effective July 1, 2026.

A. Commissioner Questions

At the June 2, 2026 South Dakota Public Utilities Commission meeting, the Company agreed to provide additional information in response to several Commissioner questions. Below we respond to questions regarding the depreciation life of the Generation Project (Project) and the locations of newly installed wildfire Artificial Intelligence (AI) cameras.

1. Project Depreciation Life

The Commission asked about the new Combustion Turbine and five Reciprocating Internal Combustion Engines generators replacing previous units at the discussed facility and whether the units being replaced were fully depreciated.

The previous facility was fully depreciated at the time of retirement in 2025, and the cost of removal was approximately \$3 million. Retirement costs were addressed

through routine capital project budgeting. Equipment salvage related credits were included as an offset in the retirement project capital cost estimates.

2. *AI Camera Locations*

See Attachment A for a map of the AI camera sites as requested by Commissioners at the recent hearing.

B. Updated Tariff Sheets

We have attached a copy of our compliance tariff sheet as Attachment B to this filing as follows:

South Dakota Electric Rate Book – SDPUC No. 2

Sheet No. 5-74, revision 16

We note that we filed revision 17 of this tariff sheet on June 10, 2026 in Docket No. EL25-024 to make updates consistent with the approved Settlement Agreement in that docket. Revision 17 includes the rate approved in Docket No. EL25-033 as shown in Revision 16.

C. Customer Notification

Customers will receive a bill onsert in their July bills demonstrating the bill impact of this rider rate compared to the current rate. A copy of this bill onsert is included as Attachment C.

Please contact me at (605) 339-8350 or steven.t.kolbeck@xcelenergy.com or Megan Spear at megan.spear@xcelenergy.com if you have any questions regarding this filing.

Sincerely,

/s/
